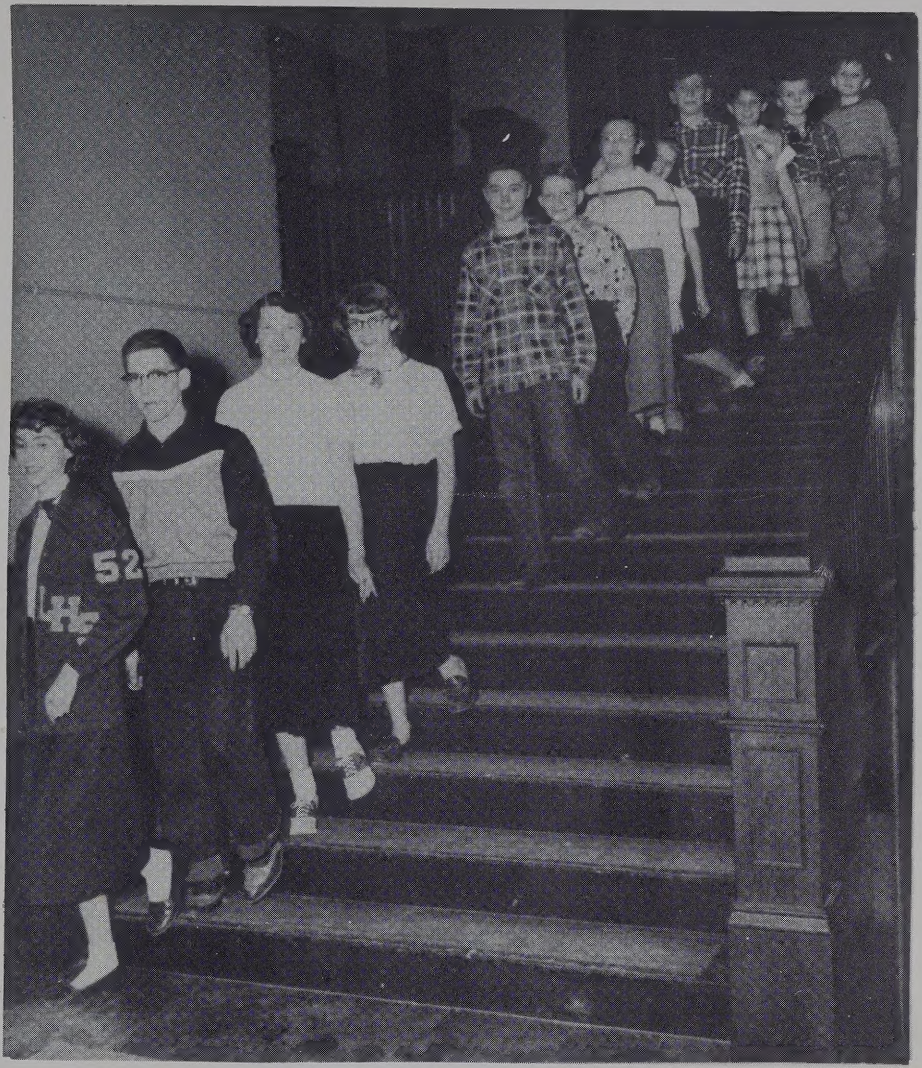
Dedication

Dedication



We dedicate this annual to the Future. Seniors, Juniors, Sophomores, Freshmen, Eighth, Seventh, Sixth, Fifth, Fourth, Third, Second and first will follow each other through the years. These present classes follow the 56 others which have preceeded them. They came down the stairs and out the doors of Larwill, prepared well, average or poorly, as was their choice. The opportunity is given within the school---the choice of taking advantage of the opportunities with the child and his parents. The classes progress inevitably toward graduation, a new first grade appears--a progress. May the Future of the Students at Larwill be Progressive.

CLASS SONG
(To the Tune of Memories)

Memories of happy days
We spent in Larwill High,
Come crowding to our minds today,
When we must say goodby.
Freshman trials soon were o'er,
Then passed our Sophomore days,
  As Juniors we worked,
  No duty we shirked,
So we came to our Senior Days.

Twenty-five Seniors now are we,
Our honors we have won.
We hate to go, but it is so
The time to part has come.
Memories, memories,
Dreams of school days o'er,
  We've had our fun,
  And though it is done,
It will live in our memories.

HELEN MARIE GREGORY was elected president of the class in the fall of the freshman year. She has very intelligently worked with the sponsors and her classmates in carrying out the responsibility of her office.

She has been a member of the Booster Club, having held the office of Vice President in her Junior year. Helen became a member, an active one, of Sunshine early in her high school career.

She started Band and Chorus as a Freshie and has continued to be a working member of both organizations for four years. In due course of events, Helen became a member of Concert Band, Dance and Pep Bands.

She was a member of the F. T. A.; became a member of the Junior Play Cast and assisted in planning the Junior Senior Reception. During the Senior year, while maintaining the high scholastic record which she insisted upon, (third in the class) she has done a share of the Home Run; Annual; sales campaigns and her share of all Senior duties.

Helen is one of the kind of students schools like more of----she gives of all her talents.

Class Prophecy

I climbed into bed quietly, trying not to wake up my snoring husband. I picked up my diary to write in the happenings of the day, and suddenly it came to my mind that this was May 8, 1977--exactly twenty-five years ago my classmates and I had trod up the aisle to the Larwill stage for the last time. "Hmm." I thought, "I wonder what has become of all those kids." I leafed back through the years and my eyes fell on these various entries:

MAY 8, 1952: Tonight we graduated amidst tears and laughter. I think we have finally begun to appreciate those "halls of Larwill."

SEPTEMBER 12, 1960: Went to Larwill to see the Pistons play Minneapolis. Reynold Juillerat, seven foot center for the Pistons, made 93 points to help the Pistons win 178 to 76. Coaching the Zollner's team to victory was Beverly Anderson, who is reported to still be engaged to some engineer from Purdue.

DECEMBER 21, 1964: Went to hear a performance of those famous musicians, "Mary Lou and the Hog-sloppers." I could hardly believe this red haired, pig-tailed hillbilly was really valdictorian of the class of '52. This was a benefit performance, with proceeds going to "Ye Olde Bachelor's Home" which was founded by and is maintained by Helen Gregory. She was escorted to the concert by the oldest resident of the home, Larry Wilkinson, who is now quite grey, and has a long, curly beard. Also attending were Mr. and Mrs. Jack Jerraid (the former Norma Clark) and their five sets of twin boys. A second feature of the evening was the Rusticana Ballet performed by Miss Susie Trump. Miss Trump looked lovely in a green velvet jacket and a short fluffy pink skirt.

MARCH 15, 1967: A great storm is reported off the coast of Maine, and many ships are in distress. The brave and courageous "Captain of the Shrimp Boats" Marlene Rush, is staying on her ship "The Little Shrimp" although all her crew has been rescued. What a brave captain she must be!

APRIL 19, 1968: Lois Mitchell Menzie, Irene Martin, and La Dean Brunner were rescued today from the wilds of Africa where they were captured by cannibals while they were digging for gold fish. Their rescuer--none other than Jim Juillerat, the famous African Missionery.

AUGUST 1, 1970: Went to the wrestling matches held at Larwill Field House. Annabelle Baker was the star performer, matching strength against Muscle-ears Martha. Sitting behind me were Mr. and Mrs. Bonald Cole (formerly Carol Coyle) and their 16 year old son who is said to be a child prodigy. And sitting in the back row in the darkest corner was none other than Arlene Klingaman (who is now a tree trimmer) and her escort, Phil Conley, who is known for his great painting of "A TROMBONE."

1242042

JANUARY 29, 1972: Today I read in the paper about a new travel service--Joe Medley's Strato-Rocket. For $3.50 you will be taken to the moon--in 4 hours and 16 minutes flat. The first people to take advantage of this new plan were Jerry Gaff, the social debutante of Larwill, and Betty Banning, who still, sad to say, is boxing vanilla cookies for Perfection Biscuit Company.

OCTOBER 7, 1974: Went to Richland Township Fair today. Pat Brandenburg won the rolling pin-throwing contest. I guess she practices all the time on that fellow from Etna, Dean Keck.

DECEMBER 3, 1974: Today I enrolled my daughter, Melanie, in Miss Phend's exclusive school for girls. I've heard that Miss Phend is a very eccentric person with old fashioned ideas, but I am sure she makes her students follow a straight and narrow path. I remember when Shirley Phend was a giddy young girl in the class of '52.

FEBRUARY 20, 1975: I read in today's Larwill Times where the W. C. T. U. has elected Wendell Buntain official bartender for the years of 1975-2000 inclusive. In the picture accompanying the article, Wendell appeared much the same as in his high school days, except his head was very shiney on top due to the fact that the only hair he has is a fringe over his ears.

MAY 30, 1976: Roger Galen Schuman won the 500-mile Memorial Day Race in Indianapolis today, driving a hopped-up old blue Ford Victoria at the amazing speed of 37.9 m.p.h. Roger always was a daring kid.

JULY 6, 1976: Today I turned in my TV set to listen to the famous crooner, the idol of all the teenagers, Don Terman. They say this handsome fellow makes $20,000 a week. WOW! He looks much more polished and dignified than he used to look.

The hands of the clock on the dresser pointed to 1:30 a.m. as I laid down my book of memories, turned off the light, and slipped away into the land of dream, none of which could be more pleasant than those of days gone by.

Class History

The class of '52 entered high school with thirty-six members. Thirteen of these came from Troy Grade School. They are: Don Terman, Helen Gregory, Carol Watson, Mary Lemon, Carol Coyle, Arlene Klingaman, Beverly Anderson, Betty Banning, Marjorie Bills, Joseph Medley, Russel Medley, Jim Juillerat, and Irene Martin. Those who came from Larwill Grade School are: Lois Mitchell, Shirley Phend, Geraldine Gaff, Suzanne Trump, Larry Wilkinson, Bill Parrot, Reynold Juillerat, Phillip Conley, Norma Clark, Patricia Brandenburg, Roger Stamp, Annabelle Baker, Colleen Bohnstedt, Doris Barney, Yvonne Overmyer, Wendell Buntain, Marlene Rush, Junior Long, La Dean Brunner, June Wilson, Roger Schuman, and Jean Simon. June Ramsey joined us from New Haven.

In the fall of the freshman year, officers were elected to serve all four years. They are Helen Gregory, President; Wendell Buntain, Vice-president; and June Ramsey, Secretary-treasurer. June left us between the Freshman and Sophomore years and was replaced by Norma Clark. Phil Conley was appointed the job of reporter for the class.

Red and white were chosen class colors and "Out of School Life; Into Life's School" was chosen to be our motto.

We were well represented in sports, and two of our class members, June Ramsey and Annabelle Baker, were elected yell leaders for 1948-49.

The first semester, Jean Simon withdrew from Larwill to go to Columbia City; Marjorie Bills received injury in an accident and spent only two months in school. The second semester Helen Herndon joined us from Chicago and later moved to Fort Wayne. Roger Stamp left us to go to Churubusco.

Helen Gregory was our Freshman candidate for Basketball Queen, and Mr. Holycross was our sponsor that year.

During the summer, June Wilson and June Ramsey moved. During the term, Junior Long withdrew. While we were Sophomores, the class sponsored a talent show and dance, our first money-making project.

Our Sophomore candidate, Carol Coyle, was elected Larwill Basketball Queen for 1950. Our sponsor was Miss Stemen.

During the summer, Lois Mitchell moved, leaving 29 Juniors. Bill Parrot left during the term to go to Columbia City High School.

As Juniors we presented a play, "Kay Beats the Band," sponsored a dance, ran the concession stand at noon and at home basketball games, and sold stationary. In the spring, the class prepared the annual Junior-Senior Reception.

The Junior candidate for Basketball Queen was Doris Barney. Our sponsor was again Miss Stemen.

We started our Senior year without Colleen Bohnstedt Ward, Yvonne Overmyer King, and Doris Barney McCoy. Russel Medley quit to join the navy. Lois Mitchell returned to graduate with us.

To earn money for our trip, we sold magazines, and sponsored a Valentine Dance. In the spring we put on a play entitled, "Calling All Girls."

Larry Wilkinson, Reynold Juillerat, and Roger Schuman were awarded honor sweaters for four years participation in basketball. Annabelle Baker earned a sweater for being yell leader for three years.

Our Senior basketball queen candidate was Shirley Phend and our sponsor was Mrs. Holycross.

Our Senior activities included Senior Sunday Service, Class Night, and Commencement. After the alumni banquet held in our honor we left on our trip to Washington D. C. and Virginia.

We spent about a week visiting various spots of historical and general interest.

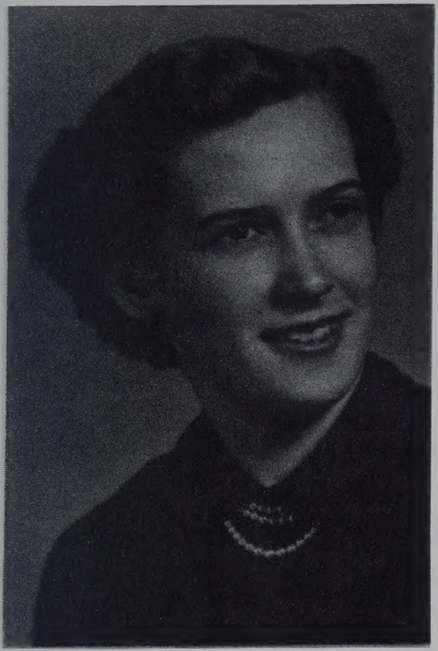
Valedictorian



Parents, friends, students, and faculty, it has been our pleasure to bring you this program tonight and we hope you have enjoyed it.

These past twelve years have been a great experience for us, one we will never forget. With the help of our parents and teachers, we have succeeded in reaching our final goal, graduation.

We have received a great deal of guidance from our parents and teachers. They have tried to help us choose the path through life that we will follow, but the final decision is ours.

When school opens next year the Class of '52 will not occupy the seats in the Senior section. Some of us will have found our life's work; others may still be searching. Some of us have examined the travel guides and secured the ticket to our future. For others, their destination is not sure. We may choose business, farming, teaching, or one of the thousands of other occupations which call us. Too many of our classmates will be called to defend our country, making possible a better life for the rest of us.

"Out of School Life, into Life's School," our class motto gives us a hint that although twelve school years have taught us a lot, whatever our chosen course of life, there is much we still have to learn. However, in life's school we cannot turn to an older, wiser person, but we must make the decision ourselves.

Now we should like to thank you, our parents, friends, and teachers for preparing us to enter life's school and to attempt solving its problems successfully. Thank you.

Mary Lou Lemon

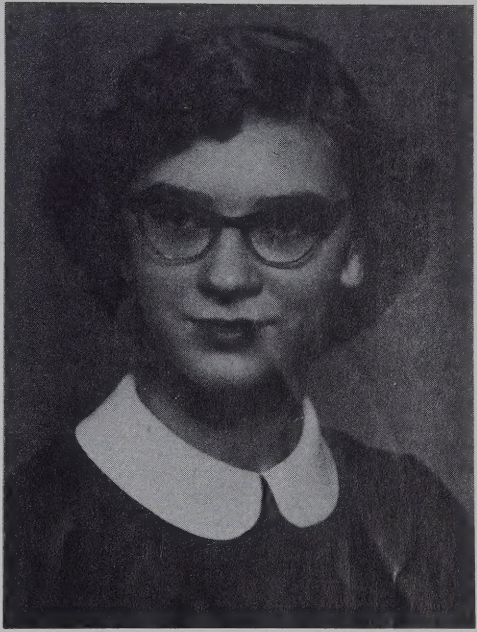
Class Motto

We the graduating class of '52 have chosen as our motto, "Out of School Life, into Life's School." We feel that this constitutes the true meaning of our life ahead of us, wherever we may be or whatever we may be doing. I feel that we will find life's school a lot harder to get through than was school life, although at the time we did not think that there could ever be anything harder than school.

Beverly Anderson

Salutatorian



Parents, Teachers, and Friends, on behalf of the graduating class of 1952, I wish to welcome you to our class night. The setting of our program is a transportation terminal. We are travelers looking for the way to our ambitions. Mixed in are the memories of our high school life.

When we have graduated, we will be past an important and pleasant phase of our lives. Important because in high school, we have learned the things we need to know to become good and useful American citizens. Pleasant because we have had many good times during the past four years.

These past few months have been especially busy and enjoyable as we participate in the many senior activities. We have probably been more demanding and bothersome than usual. We seldom stop and say "Thanks" for the new clothes, presents, and other material things, besides the time, patience, and advice you have given us.

1242642

This is my opportunity to express for myself, and fellow seniors, our appreciation for all the help we have received from you.

Besides our thanks, we would like to give you an earnest promise to do our best to fulfill your hopes and expectations for us.

Thank you.

Shirley Phend

Class Colors

We, the Senior Class of 1952, have chosen as our class flower, the Carnation. We chose red and white which means, "Alas for my poor heart!" This flower naturally appears in the summer but is produced in certain varities during all seasons of the year. The plant has been in cultivation for over 2000 years, but it was early in the 16th century that there became colors other than flesh. The varities became so popular that they are now put into four classes. The summer-blooming carnation isn't grown around here but is very popular in Europe. The type we have, known as perpetual-flowering became known in France about 1840, but first arrived in America about 1865. They are grown in some 9000 greenhouses in America.

As our class colors we have chosen red and white. Red stands for love and white for purity.
